*Conditions:

Only complete documents will be considered. The bonus of 600€ applies to students who will start their studies at the Cologne Campus. The bonus of 400€ applies to students who will start their studies in Hamm. The document must be submitted BEFORE the recruited student sends his/her application to SRH. The date of receipt of the document is decisive (see below). It is possible to recruit more than one student at the same time. The bonus will only be paid if the applicant was exclusively referred by a student of the SRH University of Applied Sciences in North Rhine-Westphalia and supported by this student in the application process. If the applicant is referred by an agency at the same time, no payment will be made to the recruiting student. Payment will only be made after the recruited student has enrolled at the SRH. The recruited student may not be an already enrolled student at the SRH University of Applied Sciences in North Rhine-Westphalia.

Please send the signed document to studyinNRW@srh.de or drop it off at your campus (does not apply to study programs of the SRH University of Health or SRH University of Applied Sciences Heidelberg).
